JAC MAKES A STATEMENT

CARBON-FREE WITH NEW ACCELERATION

Electric vehicles produce zero emissions. No pollution, no noise. They also give you a completely new driving experience. From the first tap of the accelerator, the **JAC** unleashes its full torque. The SUV pulls away strongly and smoothly from 0 to maximum speed.

STATE INCENTIVES FOR ELECTRIC MOBILITY

- No / reduced road tax (depending on the canton)
- Subsidies (depending on the canton)
- No carbon tax
- Development and expansion of the charging infrastructure

TECHNICAL DATA

MOTOR, GEARBOX, ELECTRICS	
Battery power (kWh)	65.7
Range WLTP km	410
Maximum speed, km/h	140
Power, kW (hp)	142 (193)
Gearbox	Automatic
Acceleration time (0–100 km/h) (s)	11
Acceleration time (0–50 km/h) (s)	4
Maximum power (kW) / torque (Nm)	142 / 340
Maximum climbing ability	30%
Carbon emissions, g/km	0

WEIGHT	
Unladen weight (kg)	1765
Permissible total weight (kg)	2065

DIMENSIONS	
Dimensions (LxWxH) (mm)	4410x1800x1660
Ground clearance (mm)	145
Wheel base (mm)	2620

BATTERY AND CHARGING SYSTEM	
AC charging time (*SOC 15%–100%)	approx. 5 h
AC charging up to	11 kWh
DC charging time (fast) (*SOC 15%–80%)	approx. 35 min.
DC charging up to	60 kWh
Type of cooling	Liquid
Battery name	Lishen Battery
Battery capacity (amp hours)	187.2 Ah
Battery type	Lithium (NCA)
Total battery power (kWh)	65.7
Low-temperature charging	✓
Long-life charging	✓
Range (WLTP)	410
Charging phases	3-phase
Fast charging	✓
Standard mode	✓

STANDARD EQUIPMENT

12V socket
 360° all-round camera
 5 doors
 ABS anti-lock braking system (BOSCH 9th generation)
 Acoustic pedestrian warning at rear
 Airbags for driver and front passenger
 Android Auto
 Anti-theft alarm system
 Apple CarPlay
 Asymmetrically split, folding rear seat backrest
 Automatic climate control with pollen filter
 Bag hooks in luggage compartment
 Black air intake grille
 Bluetooth interface for mobile phone (hands free profile)
 Boot cover
 Bumper in body colour
 CCS (Combined Charging System) socket for AC or DC
 Central armrest at front
 Central locking with radio remote control, 2 radio folding keys
 Charging cable for AC charging socket
 Charging cable for household socket (230V)
 Charge indicator (red / green)
 Charging interface at front left
 Chrome surround for air intake
 Cruise control (up to 130km/h)
 DAB+
 Daytime running light
 Drink holders (2x) in centre console
 Driver's seat semi-electrically adjustable
 ECO mode switch (for longer range)
 Electric headlight levelling
 Electric window regulators at front and rear with anti-trap protection
 Electrically adjustable, heated exterior mirrors

Electronic parking brake incl. Auto Hold function
 Exterior mirror housings in body colour
 Exterior mirrors with laterally integrated indicators
 Extra pocket for charging cables
 Front and rear disc brakes
 Front head restraints
 Front interior light with switch-off delay and contact switches on all doors
 Front-wheel drive
 Front windscreen in heat insulating glass
 Front wiper with interval switch
 Glasses case on headliner
 Green heat insulating glass at sides and rear
 Heated front seats
 Height-adjustable steering column
 Horn
 Instrument panel in leather design
 Interior mirror with manual dimming
 ISOFIX retaining eyelets (device for securing 2 child seats to rear bench seat)
 Licence plate light
 Luggage compartment lighting
 Multicolour TFT display 10.25" with touch screen function
 Multifunction steering wheel
 On-board diagnostic systems on 10.25" touch display (retrievable)
 Power steering
 Reading lights at front
 Rear child lock
 Rear head restraints (3x)
 Rear parking sensors
 Rear window wiper
 Removable luggage compartment floor
 Roof antenna
 Roof rails
 Sliding sunroof
 Sound system with 6 speakers
 Storage compartment in dashboard
 Storage compartments in doors (with holder for bottles at front)
 Storage pockets behind front seats
 Three-point front seat belts (driver and front passenger)
 Three-point rear seat belts (3x)
 Tyre Mobility Set (12V compressor and tyre sealant)
 USB port
 Vanity mirrors in sun visors
 Warning triangle

EQUIPMENT LINE

EXCLUSIVE DESIGN AND EASE OF USE – HALLMARKS OF THE E-JS4

Inside the **JAC e-JS4**, a tidy cockpit awaits you. Two screens, a few buttons and a dial for gear selection. **JAC**'s aim is to make electric mobility attractive for everyone without foregoing familiar features.

The seats have a sporty look with stitching and leather. Yet impressions can be deceptive, because the **e-JS4** is meant to hold its own in everyday life, not on the racetrack. That's why comfort always comes first. The seats are height-adjustable and heated.

Your smartphone can be mirrored on the central display. The **e-JS4** comes with Apple CarPlay and Android Auto, meaning you can control your smartphone directly from the driver's seat.

With a length of 4410 mm, a width of 1800 mm and a height of 1660 mm, the five-seater **JAC e-JS4** offers ample space.

And if that isn't enough, you can fold down the rear seats separately in order to transport small loads.

SPECIAL FEATURES

Metallic paint	Optional at extra cost
5-year warranty / 100,000 km	Included
5-year warranty / 100,000 km (battery)	Included
8-year corrosion warranty	Included
3-year paintwork warranty	Included
3-year service / 30,000 km	On request
4-year service / 60,000 km	On request
6-year extended warranty	On request
7-year extended warranty	On request
8-year extended warranty	On request
